The Secrets of Soil

2009 Stewardship Theme

45th Annual Meeting
of the
Warren County
Soil & Water Conservation District

Sunday, March 22, 2009 at 5:00pm
at Warren County Extension Center
Warrenton, Missouri

The District is providing the entire meal.
Afterwards, there will be awards presentations.

Our speaker this year is Susie Oberdalloff.
Susie is very entertaining and is often referred to
as the "Erma Bombeck" of Agriculture.

Everyone is invited, we hope you will join us!

Seating is limited so please
RSVP by calling 636-456-3434, Ext. 3

We are soil. Our bodies need nutrients that plants use from fields and pastures. Every plant we harvest takes nutrients from soils. We can add back the nutrients, and we can limit the loss of soil nutrients to erosion and runoff. But, to grow abundant crops for years to come—we must keep soils healthy and safeguard soil fertility. **Each year there are 80 million more people to feed and only a small bit of the Earth's surface is farmable.**
